

The Mark of The Beast

The true reason why everyone must be “vaccinated”

According to Agenda 2030 of the luciferian UN-Organization (United Nations) and the “Great Reset” Agenda of the WEF (World Economic Forum), as well as other elitist Organizations, that World Government, the so called New World Order, needs to acquire all land, all property and must take absolute control, possession and ownership of everything on earth, including all people. Remember, "you will own nothing...". The question therefor becomes clear of how they intent to achieve this? Let's think about this, humans have been created by God, therefore God owns them and has given them Natural Human Rights, including the right of ownership and possession of property and things for themselves in the world he created for them. But all those rights must be completely eliminated to achieve this NWO that the elites so desperately want to manifest. So how can they possibly be successful in this endeavor?

God has designed and written the genetic code contained in every cell in the human body. He basically marked his own creation. If this genetic code is altered and changed, if in this genetic code is placed instead another mark of someone else, such a genetically modified organism can no longer be part of Gods original and natural design and creation, therefore a new owner must have taken ownership of that new creation he created and marked for himself. And this new creator is not giving his creatures any rights at all. Instead, this new owner is giving them only temporary privileges, based to their usefulness for this new creator.

These newly created GMOs can therefore no longer own anything for the reason that they lost all the natural rights given by God to his original creation. This is, in my opinion, the esoteric reason they want to vaccinate everyone. It is not to protect them from a disease at all, these covid injections are in fact the mark of the beast, because they are changing the DNA of Humans, they are placing a genetic marking into everyone injected, basically designed to replace the old one. This is the key element of the NWO to be able to acquire all land and all property on earth. Let me repeat this, everyone who has been injected with this gene altering snake venom, who therefore has taken the Mark of the Beast, lost all his natural human rights, including the right to live and to own things, because he is no longer part of Gods natural creation. He has become a newly created synthetic trans human person with a DNA patented and owned by others instead.

So if you are wondering, for example, why the Hospitals now are killing people with drugs like Remdesivir, here is the reason. If someone gets sick and is stupid enough to go to a hospital, they will ask him if he has received the covid “vaccine”. If he says yes (assuming he is saying the truth), they have the right to kill him, because those injected sadly no longer have any rights, this includes the right to live. This of course does not mean they are not killing unvaccinated people as well, they do, but that is then murder and illegal, which is of course no hindrance for them at all. The death of those people who are murdered or killed in the hospitals are then blamed on covid19 or any invented “variants” thereof, to be able to have an excuse to mandate “vaccinations” to the unvaccinated (real human beings with God given rights) to allegedly “protect them” from this invented “disease”, that is claimed to kill so many people in the hospitals, so that they will lose all their rights and their humanity too.

This Technique is very similar to other totalitarian systems of the past, in which those declared the humans they have seen as undesirable and therefore wanted to eliminate or to enslave them, to be no longer human at all. This process is called dehumanization. Therefore, the crimes committed against them were seen as justified and necessary, “for the greater good of society”. But that of course was just a claim. It was not true at all. But with the new ability to compute, design and write genetic code, with the ability to change the human DNA and rewrite it accordingly, this claim sadly becomes a fact. Therefore, the luciferian elites are now fully convinced that this achievement gives them the right to do with those injected individuals, as they have chosen to be injected for themselves, as they please. Including to create a massive planned depopulation event or genocide, to “save the world”, or to do with them any and as many medical procedures and experiments as seen to be useful for them. All property of those injected will be officially claimed by Governments in the near future, to be then given into the World Government Trust, that then will manage everything on earth, for those luciferian elites that own it.

At some near point in the future, the remaining unvaccinated and genetically uncorrupted Human Beings, those that will never accept the mark of the beast and survived persecution and the inability to buy or sell or to participate in society at all, must be eliminated from the face of the earth completely, otherwise the NWO can not fully function the way it needs to be, in the sight of those behind it. The reason for that is, as long as there is one natural human alive, this individual would legally own everything, because God gave men ownership of the earth.

Then God said, “Let us make man in our image, after our likeness. And **let them have dominion** over the fish of the sea and over the birds of the heavens and over the livestock and **over all the earth** and over every creeping thing that creeps on the earth.” So God created man in his own image, in the image of God he created him; male and female he created them. (Genesis 1:26-27)

Therefore, the only unvaccinated left must be, in the imagination of the luciferian elites, they themselves, who are the real cause of the Covid19 Agenda. This would make them gods on earth, for they created a new patented race, and have dominion over all the earth, fulfilling the promise of their “savior” Lucifer, also known as Satan, “...and you will be like God...”. It will be easy for them to eliminate the unvaccinated, because they will be blamed for everything, including all the millions or even billions of people who will die of the “vaccines”, that are in reality no vaccines at all, but experimental gene therapy. The Covid19 Agenda is therefore a war against God, his order and creation, especially against the human race as such, with the intention to destroy and pervert everything God created. It is fully satanic and completely based on lies and deception, to cause Humans to “get the shot”, or with other words, to cause them to eat the forbidden fruit, once again.
